

Jubilant awarded Radiopharmaceutical Group Purchasing Agreement by Premier

For Immediate Release: Yardley, PA, October 25, 2019 – The Radiopharma Division of Jubilant Pharma Limited, announced today that under its Radiopharmacies business the Company has been awarded the group purchasing agreement by Premier Inc. for its full line of radiopharmaceuticals products. The agreement becomes effective January 1, 2020, and allows Premier members, at their discretion, to take advantage of special pricing and terms pre-negotiated by Premier for their line of radiopharmaceuticals. Additionally, Jubilant was selected as the sole-source supplier for the Premier Ascend program, which provides the Ascend members with access to enhanced value for this highly committed program.

“Jubilant is proud to be selected as a supplier by Premier to service the radiopharmaceutical needs of their members across the country “said Pramod Yadav, CEO, Jubilant Pharma Limited. “We have made great strides over the past few years to build a leading nuclear medicine company and are confident Premier members and their patients will benefit from the high quality products and services to which they now have access.”

Radiopharmaceuticals are low-level radioactive drugs used by physicians. These products are carefully monitored and typically used for diagnostic purposes in conjunction with imaging devices to scan vital organs for diseases, but are also used as a theragnostics tool to treat certain cancers.
