1. The Board has recommended a dividend of ₹ 3 per equity share of ₹ 1 each fully paid up amounting to ₹ 5751 lakhs (including dividend distribution tax), subject to approval in the Annual General Meeting.

2. Financial results for quarter and year ended 31 March 2017 are in compliance with the Indian Accounting Standard (Ind-AS) prescribed under Section 133 of the Companies Act, 2013. The consolidated audited results of Jubilant Life Sciences Limited ("the Company") and its subsidiaries (collectively known as "the Group") are prepared in accordance with principles and procedures for the preparation and presentation of consolidated accounts as set out in Ind-AS 110 "Consolidated Financial Statements" prescribed under section 133 of the Companies Act, 2013. The Company prepared its consolidated unaudited results for the first three quarters of the current year under Ind-AS by applying certain selections/exemptions and accounting policies based on its preliminary assessment which has been finalised during the current quarter in respect of certain investments and financial instruments with conversion features. The Company has adopted Ind-AS for the first time beginning 1 April 2016 and the date of transition to Ind-AS is 1 April 2015. Consequently, erstwhile Indian Generally Accepted Accounting Principles ("GAAP") results for the quarter and year ended 31 March 2016 have been restated to make them comparable.

Reconciliation of Net Profit and Equity as reported under erstwhile IGAP and as restated in compliance with Ind-AS is as under: (₹ in Lakhs)

As per Ind-AS 108, Operating Segments have been defined and presented based on the regular review by the Company's Chief Operating Decision Maker to assess the performance of each segment and to make decision about allocation of resources. The accounting principles used in the preparation of the financial results are consistently applied to record revenue and expenditure in individual segments.

4. Subsequent to the year end, a wholly owned subsidiary of the Company, Jubilant Pharma Limited ("JPL"), through one of its wholly owned subsidiaries, signed an Asset Purchase Agreement with Triad Isolopes Inc. and its parent Isolope Holdings, Inc. ("Triad"), to acquire substantially all of the assets which comprise the radiopharmacy business of Triad. The closing of the transaction is subject to customary closing conditions, including contract, regulatory and other approvals. The acquisition will be funded through JPL's internal accruals and is likely to be earnings accretive in the first full year of operations.
