Extract of Consolidated Unaudited Results for the Quarter ended 30 June 2017

The Company has opted to publish consolidated unaudited results for the year ending 31 March 2018. The standalone unaudited results
are available under lineator Relations section of our webstle at www.jubl.com and under Financial Results at Corporates section of
www.nsenida.com and www.bsenida.com. Key standalone financial information of the Company is as under.
 Çin Lakins)

During the quarter, a wholly owned subsidiary of the Company, Jubilant Pharma Limited ("JPL"), through one of its wholly owned subsidiaries, signed an Asset Purchase Agreement with Triad Isotopes inc. and its parent Isotope Holdings, Inc. ("Triad"), to acquire substantially all of the assets which comprise the radiophamacy business of Triad. The closing of the transaction is subject to customary closing conditions, including contract, regulatory and other approvals. The acquisition will be funded through JPL's internal accruals.

The above consolidated unaudited results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 18 July 2017. The figures for the preceding quarter ended 31 March 2017, as reported in these financial results, are the balancing figures between audited figures in respect of the full financial year ended 31 March 2017 and the published year to date unaudited figures upto the end of third quarter of that financial year were only reviewed and not subjected

The above is an extract of the detailed format of the consolidated unaudited results for the quarter ended 30 June 2017 filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. INDIAN BANK'S TIER 1 BONDS GET AN UPGRADE

GET AN UPGRADE
Rating agencies, CRISIL and CARE, have upgraded the rating of Indian Bank's Additional Tier 1 Bonds to AA+/Stable from AA/Stable.
M. Nagarajan, General Manager–Planning and Development in his address to the press, said, "CRISIL and CARE have high degree of safety regarding timely servicing of debt obligation and carry very low credit risk. In view of strong capitalisation, better profitability and comfortable resource profile, the rating of the banks have been upgraded from AA+/stable rating from AA/stable. The parameters of the bank which contributed to this upgrade are capital adequacy of the
